

## Continuing Professional Education

Along with providing extraordinarily fun group outing and team building events for schools, Group Dynamix (provider #501761) has been approved as a Continuing Professional Education Provider for Texas educators.

Group Dynamix's in-service program is ideal for creating a more unified, cohesive and collaborative school environment. Using extraordinary fun, interactive and meaningful activities, we help educators to discover the keys to creating a cohesive community in the classroom and throughout the school.

- Establish and strengthen interpersonal relationships.
- Learn effective ways to communicate and collaborate.
- Improve problem solving and decision making.
- Build a more unified and cohesive team.
- Create a greater sense of trust and support.
